❖
La finitura Levigata è indicata anche per pavimenti, ma soltanto in aree soggette a calpestio da traffico ordinario, protette da agenti abrasivi, in cui è già avvenuto un primo scarico di sporco normale tramite scale, preingressi, zerbini. | The Polished finish is also suitable for floors, but only in areas subject to ordinary traffic, protected by abrasive agents, in which normal dirt has already been left behind on stairs, areas before the entrance, doormats, etc. | Die polierte Oberflächenausführung ist auch für Fußböden geeignet, aber nur in Bereichen mit normaler Trittbelastung, die vor scheuernden Substanzen geschützt sind, in denen bereits der erste gewöhnliche Schmutz auf Treppen, in Vorräumen oder auf Fußmatten abgeladen wurde. | La finition Polie est indiquée pour les sols aussi, mais uniquement dans des zones soumises à un piétinement courant et protégées par des agents abrasifs, où a déjà eu lieu un premier dépôt de saleté normale par le biais d'escaliers, de seuils d'entrée et de paillassons.
